

Emergency Preparedness

AS 3745 COMPLIANCE TRAINING PACKAGE

Our AS 3745 Compliance Training package helps achieve compliance in accordance with relevant legislation and eliminates the stress of uncertainty when responding to an emergency.

As part of the training package, we assess your risk; explain your statutory obligations; develop a response plan; train your people; and we can even provide you with instant online access to your current compliance documentation.

Our substantial bank of knowledge, research and experience accrued over the years in the field of fire safety and emergency response is the foundation to our comprehensive and expertly delivered range of services. We deliver training online or in-person, to ensure your occupants are fully prepared for the potential emergencies that are likely to impact your facility.

Who should attend?

This package is specifically designed for Chief Wardens, Deputy Chief Wardens or Emergency Coordinators and Wardens who are required to respond to any type of emergency in the workplace.

Package Outline

Our AS 3745 Compliance Training package is delivered over 3 separate visits scheduled over the course of a year.

Visit 1 - Introductory Training

Initial training session for Warden, Deputy Chief Wardens and Chief Wardens to review respective roles and specific responsibilities.

Visit 2 - Emergency Response Exercise

Your Emergency Control Organisation will carry out an evacuation exercise under our observation. We then conduct a debriefing after the exercise to ensure effective learning & feedback.

Visit 3 - Advanced Training

We will upskill your team and train the Emergency Control Organisation in the safe operation of portable fire-fighting equipment and/or emergency response procedures for active threats where relevant.

Package Inclusions

- ✓ Emergency Control Organisation (ECO) training conducted in three phases in person or online
- ✓ Online access to all relevant compliance records
- ✓ Ongoing Warden information updates via email
- ✓ Two copies of the Emergency Response Procedures Manual
- ✓ Unlimited Chief Warden & Management support upon request, including post-incident debriefs and continued training
